

9th July 2024

Devizes and District Phab are part of the National charity Phab, (PHysically disabled and ABLe bodied) an organisation which brings people with and without disabilities together. We own and operate two 14-seater minibuses, one based in Pewsey and the other in Devizes. Both are equipped with hydraulic lifts and wheelchair restraints. They are used to transport our Club Members, as well as hired out to other organisations complete with driver.

We are seeking additional drivers to join our team, on both a voluntary and paid basis. Full certificated Midas minibus training will be provided. We operate door to door, collecting passengers from and returning them to their homes. So, in addition to driving the vehicle, where required our drivers need to assist passengers to board and exit the minibus efficiently and safely. This also entails dealing with a wide variety of mobility aids and wheelchairs.

The ideal person will

- have a naturally caring and compassionate nature
- be enthusiastic and tenacious, tempered with empathy, tolerance and patience
- possess a level of learned wisdom and life experience
- be a great conversationalist and communicator with others
- possess a full UK driving licence with D1 provision
